Greetings,

In partnership with CD-13 and my partner Dan Halden, we are organizing a meeting of stakeholders along Ivar, from Hollywood to Sunset Blvd, to discuss the impact of increased homeless encampments at night, and issues related thereto during the day. As we've all observed, homelessness is on the increase in LA, and in Hollywood - but Ivar is particularly impacted, owing to a variety of factors that we will discuss next week.

We are inviting our city partners to attend, along with PATH, to help us with this problem solving session. By working collaboratively, I know we can make an impact and improve the safety and experience for those who work, go to school, live and do business along this street.

Please let me know if you can attend. If you are unable, please identify a surrogate for your property or business. It's important we have all the neighbors at this meeting.

With appreciation,

Kerry
